

BEA-BER at Angleur

Allée des Noisetiers 9, Liège-Angleur (BE)

Complete mission of architecture, stability and health

Owner
BEA-BER sa.

Architect
Bureau d'architecture greisch

Cost of the works
€ 2,5 M excl. vat, including the
surroundings

Realisation
1998 - 1999

This modern building with simple appearance reveals a great technical skill by the use of materials like glass, stone or stainless steel as well as by the fitting of space. Every single archi-

tectural or stability detail, every single necessary component for the special techniques, is designed to perfectly fit in the whole construction.
